Saturday 19 May 2012 RHS 1st XV v Lincoln High @ Gladstone Park Final Score: RHS 14 Lincoln 9

A very good start from RHS resulted in early try to fullback Jag Love. The ball was spun along the backline from a scrum inside the LHS 22 and fullback Love was played into space by centre Nigel Gibb. Freeman Eder converted the try. The bright start continued but simple errors continued to turn the ball over to LHS. 15 minutes into the half RHS counterattacked from turnover ball deep in their own half and again centre Nigel Gibb provided the the initial touch with a well weighted chip kick which Fullback Love gathered in and raced away from the Lincoln cover defence to score under the sticks (converted by Freeman Eder).

points and a real chance to take the game with the final 5 minutes spent on attack. The final play of the game saw LHS drive over the line but were held up by a desperate RHS defence. "While good to get the first win of the season it is important that we find our pre-season form quickly if we are going to compete successfully against some of the stronger

sides in the competition. We were lucky to hold on today against a gutsy Lincoln team." Coach Jim Gilbert

LHS were not going to let

the RHS side run away with the game and slowly they gained parity up front and finished the first half stronger and banked 3 points along the way. The second half started well for Lincoln and despite RHS crossing the line for a try that was disallowed the second half belonged to the visitors. 2 penalties brought them to within 5
