A child who learns values at home and is cherished within their family, will not only behave well amongst the family but also within society and throughout their life.

Newsletter to parents/caregivers/whānau/akonga re school buses

15 October 2021

Kia ora koutou,

Please find below the new Ministry of Education guidelines regarding the wearing of face masks on school transport as outlined in the 14 October Ministry of Education Bulletin sent to all schools.

Face coverings on school transport

Face coverings are required to be worn by students aged 12 and over while on school transport under all alert levels. This also includes charter buses hired by schools to transport students and staff.

Students aged 12 and over are also required to wear face coverings on public transport.

I am sure you will agree that protecting the health of your children and young people is our top priority and wearing a face mask at this time is just one small action to protect our children from catching this virus.

Please do not hesitate to contact me if you have any further questions.
